The primary purpose of the Oak Creek Fire Protection District is the preservation of life, property, and the environment from and during such emergencies and fire that may occur within the District and to provide emergency medical care and transportation of the sick and injured.

Additional purposes of the District may include provision of services outside the District as may be designated by the Chief, rescue operations and any duties permitted by Colorado Revised Statutes that may be deemed necessary and desirable by the Board of Directors of the District.

All duties and responsibilities shall be carried out in the most professional manner possible so as to uphold the stature of the profession we proudly represent.
