NOTE: The abbreviated General Fund appropriations shown above assume a small government and uncomplicated operation. In the case of larger governments, the appropriations can be designed by spending agencies in major functions, such as General Government, Public Safety, Enterprise, etc. These functions can also be subdivided. For example:

Public Safety	Enterprise
Police	Water
Fire	Sewer
Correction	Electrical
Protective Inspection	

In certain instances a governing body may want to appropriate in even greater detail, but this is a management decision that must be tailored to the specific needs and desires of an individual government as expressed by its governing body in such a decision.
